Perfect First Home or Downsize

This neatly presented two bedroom home is conveniently located only 15 minutes from Launceston CBD and a stone's throw from Country Club Casino and golf course. The corner block is a considerable size while the property itself has the low maintenance feel of a villa unit.

Built in 1992 the floorplan is simple but highly practical with carpet and vinyl floors and functional rooms. There is a sunny enclosed front porch and entry door, that leads into a lovely open plan living and dining area. The kitchen nook is compact but still offers enough bench space and storage for a single or a couple.

Both the double bedrooms offer floor to ceiling mirrored built-ins and there are quality window furnishings, floor coverings and light fittings throughout. The original bathroom is immaculate, offering both a bath and a shower and there is the convenience of a separate toilet.

A spacious laundry room is located at the back of the single garage, which has the potential to be converted into a second living room or third bedroom (STCA). The garage roller door is remote control and offers internal access to the home. Extra security is on offer here with a remote-control alarm system in place.
