Prime Position, Prime Potential

This 'neat as a pin' property has been owned by the same family for over 35 years and is a rare find in this price bracket.

Originally built in 1957 it is impressive how well maintained and structurally sound this home is. There is unlimited potential to update and renovate, or simply leave 'as is' and still live comfortably. Some excellent modern additions have been made here with the installation of two reverse cycle air conditioners, a keypad security system, solar panels and a full rewire being completed in 2019.

The main rooms lead off an L-shaped hallway and include three bedrooms (all with built-ins), a bathroom with toilet, a separate lounge and open plan kitchen dining area. The spacious, comfortable lounge room takes up the front corner of the house and has large windows providing plenty of natural light. An original kitchen and adjoining dining space are the heart of the home and at the centre is an unexpectedly spacious walk in pantry. A basic laundry and single lock up garage are located underneath the house and there is an abundance of storage both here and within the house itself.

The yard is low maintenance with neat sections of lawn and long-established garden beds with reticulation. For the buyer with more than one vehicle this
