15 Wongarra Ave, Legana

Ideal Home in an Ideal Location

Built in 2001 this brick and tile home would ideally suit a buyer keen to secure a neat, single level property in ever popular Legana. The block size is substantial, however the house itself is easy care and has been well maintained by the current owners.

The floorplan here is tidy and compact while still offering four bedrooms and two bathrooms. The original kitchen and bathroom are in excellent condition and there have been some great improvements made, including the installation of a reverse cycle heat pump, new flooring and an upgraded ensuite.

The front door opens directly into a spacious lounge/dining area and also flows around into the large master bedroom and ensuite. A hallway from this central living zone leads to the back of the house where the other three double bedrooms are located. A separate laundry, toilet and main bathroom with shower and bath complete the interior picture.

Glass sliding doors lead outside to an undercover deck area and freestanding single garage. This garage has an adjoining rumpus room which offers a perfect space for children to play or set up a workshop, music or art studio.

West Tamar Council have indicated that the land size would potentially allow for a small unit or granny flat to be built (STCA) or simply enjoy the benefits of
