Larger Unit With A River View!

If you're after the low maintenance aspect of a unit but don't want to sacrifice space, then this practical property is certainly worth a look through.

Offering some amazing river views, the layout includes 2 large bedrooms with built in wardrobes, lounge, dining room, kitchen, sun room, bathroom and a laundry with a second toilet.

There is a carport to the side and a block which is very low maintenance.

The undercover deck area to the front of the property is a great place to take in those awesome views.

Great buying whether you're in the market for a home or investment property.

An early viewing is recommended, as this one won't last long!
